## TEACHTAIREACHT ÓN GCATHAOIRLEACH

A Chairde,

Cuireann sé athas orm fáilte a chur roimh gach duine chuig Páirc Tailteann inniú ar ocháid ár gcluiche ceannais peile Mionúir. Cuirim fáilte fé leith roimh na foirne, Druim Samhraidh agus Gaeil Bhlaith Gall.

Today we reach the highlight of the Minor Board year, the Minor Championship Final for the Delaney Cup and I wish both teams the very best of luck in the final. We anticipate a high standard of football and sportsmanship befitting two of the leading underage set ups in the county.

Summerhill last won the Minor Final in 1942. We welcome Blackhall Gaels today for their first Minor Football Championship Final appearance. Both Clubs have had great success in the recent past in all levels.

To get to this stage both clubs have put in an enormous amount of work and I would like to compliment all involved. I want also to commend all the other clubs, plus their mentors, who participated in the competition, and helped achieve the high standard for which the Royal County is widely respected.

My thanks to our U-21 coach Paul Kenny and my fellow selectors Jim Cooney, Micky Moore, Eugene Comaskey and Brendan Dempsey. For all the work put in over the year and to the players an above all their clubs, my sincere thanks.

Sincere thanks also to my fellow selectors at Minor &-16 level Gerry Cooney, Willie Govern, Brian Reilly, Gerry Flanagan and Ultan Fitzpatrick for all the work they put in throughout the year. During the year an enormous number of games were played at Minor & U-16 level and I thank everyone for their co-operation. A word of thanks also to all our referees. A special word of thanks to our Secretary Ultan Fitzpatrick for his work in organising the various competitions. My thanks to Assistant Secretary Myra O'Flaherty for all her efforts during the year, and to our Co. Board Chairman Fintan Ginnity for all the help he gave the Minor & U-21 Board during the year. My thanks to P.R.O. Eddie O'Reilly for all his help in organising programmes and results.

Finally, I thank the local media, L.M.F.M. Radio, The Meath Chronicle, The Weekender, The Drogheda Independent and Anglo Celt.

## Summerhill 1942 - 1999

When Summerhill take the field in today's Minor Football Final they will be breaking a barren spell of 57 years for the South Meath village. When the 1942 team played their first match they had just 16 players, but surprised everyone by beating Donaghmore - then kingpins of that era, in Drumree by one point. Transport then was the bicycle and pony and trap.

Later victories against Trim, Skryne and Rathfeigh etc. brought them to the Final in Trim against De La Salle, managed by the redoubtable Brother Cassin. The referee was Bill Kelly (R.I.P.). Summerhill won by two points after a hard game. Only two of that team played with the winning Junior team of 1953. Many of those who played in 1942 has since passed away, among them Jimmy Scallon, Tommy Harnan, Patsy Farrelly, Jackie Hanley, Ray Allen, Colm Larkin, Nip Dowd, Eddie Daly and Dessie O'Neill. God rest them.

Tommy Cogler Fagan went on to star with Meath Junior Football team. Eddie Daly afterwards played with the Meath Minors as did his brother. He also played with the great Sean McDermott's in Dublin and with the Meath Senior Football teams.

Dessie O'Neill who scored a number of points from the centre half forward position played Junior Football with Summerhill the following year, but later left for Wexford where he made the Wexford Senior team at the age of 20. He also played on a number of Leinster Railway Cup teams with distinction.

The captain and secretary of the 1942 team Niall Fagan is still a Committee member and Co. Board delegate of Summerhill G.F.C. He has vivid memories of that final and particularly so of the subsequent sequel. An objection was lodged because only 14 players was on the team list though he signed his name as secretary on the bottom of the sheet.

Fr. McManus Chairman of the Co. Board threw out the objection as frivolous! No one asked him to quote the rule book! Such was his standing in Meath then that it would be unthinkable to question his ruling.

It is hoped that the few still around will enjoy fond memories of 1942 victory and will wish well to the wearers of Blue and Gold today.

Good Luck to Blackhall Gaels in the Minor Final

Three In A Row

Only two teams from South Meath had won the Delaney Cup Summerhill 1942 and Trim 1966, 1968 & 1972, before the Kilcloon, Batterstown and Moynalvey amalgamation took possession for three years from '91 to '93

1991

Under the shrewd management of **Patsy Burke, Jim McGovern, Christy McNulty, Pat Sheridan and Paud Thompson** they progressed through the league section and drew Simonstown in the quarter-final. Despite trailing by five points with five minutes remaining they drew level and beat them cosily in the replay. The semi-final against Oldcastle was played in Kilberry with the South Meath team winning by six points. In the final they faced a Seneschalstown/Duleek combination that included Graham Geraghty but he not could prevent the rampant Kilcloon Batterstown Moynalvey team who won easily by 2 - 11 to 0 - 8. Afterwards captain Cathal Sheridan received the Delaney Cup from chairman Johnny O'Sullivan. The team which lined out in the final and started the three in a row.

D. Bannon, D. Canning, Z. Donoghue, B. McNulty, T. Regan, M. Byrne, B. Sheridan, M. Collins, S. Nally, J. McGovern, C. Sheridan (Capt.), N. Nestor, D. Smith, P. Nestor, M. McCarthy

1992

With most of the panel available the Kilcloon Batterstown Moynalvey combination started out with high hopes for 1992. They started shakily with a narrow win over Skryne then losing to Killough Gaels, then beating Simonstown and finally Gael Colmcille in the last game of the league section. The competition was delayed because of the progress of the county Minors who won the All-Ireland with Barry Sheridan and Paul Nestor making significant contributions.

When the competition resumed they had a runaway victory over Navan O'Mahony's to earn a final place against Gael Colmcille. The final was played in mid-December and resulted in another easy win for the South Meath side captained by Daragh Canning. The team which played in the final against Gael Colmcille

D. Bannon, O. Regan, D. Canning (Capt.), P. Barker, T. Regan, B. Sheridan, C. Nolan, K. Gannon, N. Nestor, J. McGovern, P. Nestor, W. Byrne, M. Crampton, G. Thompson, F. Glynn

1993

Three in a row was the target as the team started out in 1993. They had a few closely contested games including a draw with Simonstown Gaels, narrow victories over Seneschalstown and Killough Gaels and a defeat by Round Towers. They qualified for the semi final where they met Round Towers again, and this time they won by 4 points. Simonstown Gaels provided the opposition in the final. The game was a tense low scoring event ending in a draw. Helped by two great goals from John Fitzgerald, the combination won the replay easily. It was a happy Jimmy McGovern, one of a number of players who played in all three finals who received the Delaney Cup.

The team which completed the "Three in a Row"

M. Hennessy, O. Regan, P. Burke, N. Thompson, T. Regan, B. Sheridan, D. O'Shea, F. Glynn, G. Thompson, J. McGovern, P. Nestor, W. Byrne, J. Fitzgerald, P. Gaughan, C. Nolan,

The three in a row teams certainly laid the foundation for Blackhall Gaels. Of the team that won the Intermediate Final against St. Pats last year no fewer than nine had won at least one minor medal. We believe the current Minor team will also provide a significant number of senior players as the club attempts to win the ultimate honour – The Keegan Cup.

Links with the Current Team

1. Noel Farrell; Selector / Coach of the present team also trained the 1993 winning team.
2. Stephen McGovern and Cormac McCarthy of the current panel all had brothers who won medals with the three in a row team.

## **Blackhall Gaels Selectors**

### **Noel Farrell:**

Noel played for Batterstown for many years before the formation of Blackhall Gaels. The highlight of his career was captaining Batterstown to the Junior B Championship in 1992. Noel is passionate about his football and has committed a huge amount of time to training this team. He took Blackhall Gaels to the Division 2 Minor Final 2 years ago, and hopes to take the title this time. He trained the Kilcloon – Moynalvey team during the famous 3 in a row in the early 1990's.

### **Niall Brosnan:**

Niall has the distinction of playing his club football in three counties. He started out in his native Kerry with Cordall, his teaching career took him to Dublin where he lined out with Clanna Gael and he finally settled in Meath where he played with Batterstown and picked up a County Junior medal with Noel in 1992. Niall has devoted a lot of time to underage football with Blackhall Gaels and has had many successes as a selector/coach.

### **Nicholas Casserly:**

Nicholas played minor football for Dublin and still maintains his links with Naomh Fionbarra in the City. He has been involved with the current team since they played in an Under 12 Final in 1993. A keen observer of gaelic football he is a great man to read the game from the dugout and to make the important positional changes that can turn a game around.
